RE: NE BRITISH COLUMBIA ROAD BANS

---

**Lift Axle Weight Restriction Notice – Paramount BC Roads**

Effective immediately, June 02, 2026, Paramount Resources Ltd.'s road ban will be lifted to allow traffic to resume at 100% vehicle weight during dry conditions only. Depending on weather conditions, this may be subject to change on short notice. We would like to remind road users they are still responsible for monitoring road conditions and travel based on their road use agreement which includes restricting travel during adverse conditions.

Please continue to use the roads in a safe manner, obeying all posted speed limits and any restrictions that may be in place due to the current wildfires.

Your cooperation in limiting damage to Paramount roads is much appreciated. If there are any questions regarding road use agreements or if you require an agreement, please contact the Road Use Department at [roaduse@paramountres.com](mailto:roaduse@paramountres.com).

Current Paramount Road ban information can be found on our website at:

Sincerely,

Paramount Resources Ltd.
